

*Mercer County Job and Family Services Announces:  
Comprehensive Case Management and Employment Program*

*-CCMEP is for job seekers ages 16 to 24-*

*We would love to meet with you and discuss  
the many opportunities CCMEP can offer!*

*CCMEP will take a coordinated, holistic approach to stabilizing individuals and families by addressing the many factors that may be contributing to poverty and unemployment, including:*

***Health \* Housing \* Education \* Transportation \* Child Care***

*In conjunction with supportive services, CCMEP will provide access to employment and training services:*

***Career Counseling \* Job Placement \* Services to Facilitate Job Retention***

*By combining the strengths of both the workforce and human services systems, CCMEP seeks to improve employment and education outcomes for at-risk youth and young adults by helping participants overcome barriers to employment and develop the skills local employers seek.*

*If you would like more information, either as a  
Participant, a Community volunteer or a Business owner, please contact:*
