Due to the COVID-19 Pandemic 2020, special funds have been released by Job and Family Services for Mercer County residents who have been adversely affected. If employment has been affected, you will need to apply for COVID-19 Unemployment Compensation.

Mercer County Job and Family Services is assisting with a \$200 payment towards a current Utility Bill. A current utility bill that is in a household members name must be provided. Emailed copy of bill or emailed picture of utility bill will be accepted.

Households must complete an application, must have a minor child or have a current child support order and be at or below 200% Federal Poverty Level (anticipated income for next 30 days)

Applications will be accepted beginning 3/26/2020. Because these are special funds, this program shall only continue as long as funds remain. Applications will be processed as they are received

- As long as our building is open to the public, applications will be available outside of the agency lobby , and you can submit your application in the lockbox by the agency door (basement floor of Central Services Building)
- Email Amanda.Slavik@jfs.ohio.gov for an application to be mailed or emailed to you
- Call Elizabeth at 567-510-4374 or Mandee Slavik at 567-510-4379, if no answer, please leave a voicemail with your name and address or email address and indicate if you would like us to send you an application or call you back to take your application over the phone
