RULE 1.00
GENERAL PROVISIONS

1.01 Preamble

These Local Rules shall supplement and complement the Ohio Rules of Civil Procedure, the Ohio Rules of Criminal Procedure, the Rules of Superintendence for the Courts of Ohio, the Ohio Revised Code, and any other applicable authority.

These rules are not to be interpreted in any way that will conflict with the various Ohio Rules. Should any conflict or contradiction be found, the Ohio Rules shall in all cases, prevail over the supplemental Local Rules.

These rules are to assist in establishing a system for the general division case management which will ensure the readiness of cases for trial and pretrial proceedings, will maintain and improve the timely and fair disposition of all cases, provide the court with an efficient means of controlling and monitoring the flow of cases, and minimize the time required by members of the bar, their clients, and parties appearing pro se to resolve the disputes which bring about the matters pending before this Court.

1.02 Scope and Applicability of Rules

The Local Rules of Practice hereinafter set forth shall apply to the General Division of the Common Pleas Court of Mercer County, Ohio, effective July 1, 1995, and as amended January 1, 1999, and August 1, 2008.

They shall apply in all instances except and when they conflict with the provision of Rules promulgated by the Supreme Court of Ohio, or are clearly not applicable.

The Judge of this Court reserves the right to vary any rules, after hearing, in the interest of justice.

These Rules may be cited as “Mercer Co. Loc.R. ____.”

1.03 Term of Court

The Court is in continuous session for the transaction of judicial business. There shall be one term of court of each calendar year, with the term divided into three parts which shall commence on January 1, May 1, and September 1 of each year. All causes and proceedings, civil, criminal, domestic relations, and other matters pending on the last day of a term are continued to the next term without further order of the Court.

1.04 Hours of Session

Unless otherwise ordered by the Judge of this Court, the separate sessions of this Court for the trial of cases shall be scheduled on weekdays between the hours of 8:30 a.m. to 5:00 p.m. on Monday, and between 8:30 a.m. to 4:00 p.m. on Tuesday through Friday of each week, except on those days designated by law as a legal holiday. The court shall be in session at such other times as the judge shall prescribe to meet special situations or conditions.

1.05 Assignment of Days for Proceedings

In order to assist counsel with effective management of their scheduling calendar and to allow the Court and its staff to better serve the daily needs of counsel and their clients, the Court will notify counsel with offices in Mercer County and any other person who so requests, of days reserved for civil, criminal, and domestic relations proceedings, on or before December 1, of each year. The Court calendar is subject to constant change.

1.06 Special Accommodations

Any person who requires special accommodations because of a disability shall notify the Court of his or her special requirements at least fourteen (14) days before a scheduled court appearance. Failure to do so will result in the requesting party being responsible for payment of the interpreter's fee for time spent in attempting to attend the rescheduled hearing.

1.08 Court Attire

All persons must dress in proper attire when entering a courtroom. No attorney, party or witness shall be permitted to appear in the courtroom or offer testimony while dressed in shorts or "tank tops." Filing fees and costs in the Court of Common Pleas shall be as set forth in the Filing Fee and Costs Schedule (Appendix A) maintained by the Clerk of Court. Except as otherwise provided by law, when applicable such deposits may be periodically determined by the Court and published by the Clerk of Court. The current cost deposit amounts are attached hereto and incorporated herein. Counsel and parties are encouraged to periodically check with the Clerk of Court to determine if any changes have been made.

For a current list of advanced deposits/filing fees at the time of printing, please see APPENDIX A.

Upon final judgment, the Clerk is directed to apply any monies on deposit to the costs in the case, regardless of the party against whom costs are assessed.

2.02 Advance Deposits/Filing Fees

Unless an affidavit of inability to pay or give security for costs as provided for in R.C. 2323.31 and Mercer Co. Local Rule 2.05 hereof is filed, no civil actions or proceedings shall be accepted for filing by the Clerk unless the party or parties offering the same for filing shall first deposit a sum of money to secure the payment of costs. Deposits will be accepted only if they are in the form of a check from a law firm, certified check, money order, or cash. No personal checks are accepted.

2.03 Additional Advance Deposits

When the Clerk of Court is of the opinion that the deposit for security of costs is or will become inadequate, the Clerk may require the initiating party or parties to advance an amount estimated by the Clerk to be sufficient to secure the costs in excess of the schedule set forth above.

2.04 Jury Costs - Civil Trial

A party who has requested a jury trial, shall deposit the sum of One Thousand Dollars (\$1,000) with the Clerk of Court not less than fourteen (14) days prior to the day upon which trial is scheduled to commence.

In the event a panel of jurors appears for service and the trial is continued or postponed due to the failure of a party or his counsel to appear, such party shall be assessed the per-diem cost of the panel unless such failure to appear is the result of extreme emergency or conditions beyond the control of the party or counsel as the same may be determined by the Court.

2.05 Affidavit of Inability to Prepay or Give Security for Costs

When a party files an affidavit of inability to pay a deposit or give security for costs as provided for in R.C. 2323.31, the Clerk of Court shall receive and file such action without deposit or security. Provided however, the Clerk shall not accept for filing an affidavit of a party's inability to make the required deposit or security for costs until the party's counsel certifies in writing that no monies have been paid to counsel and that, to the counsel's knowledge and belief, the party is unable to make the deposit or security.

2.06 Service by Publication

- A. Counsel for a party desiring service by publication in a civil matter pursuant to Civ.R. 4.4(A)(1) shall submit to the Clerk of Court the proposed legal notice for such publication. Counsel for a party desiring this service shall submit to the Clerk of Court the proposed legal notice for such publication. The Clerk shall promptly post the notice in a conspicuous place in the Courthouse of Mercer County, Ohio, in the public area of the office of the Sheriff of Mercer County, Ohio, and in the public area of the Celina Police Department. The motion shall include the following:

All orders for transcripts shall identify with specificity the testimony or proceedings ordered to be transcribed and shall be directed to the Court Reporter who took the notes of the testimony or other proceedings ordered to be transcribed that such testimony or other proceedings required. The transcript shall be retained by the Court Reporter and any balance due on said transcript must be paid in full to the Clerk of Court before the original transcript is filed with the Clerk of Court by the Court Reporter.

- B. Pursuant to R.C. 2301.23, 2301.24, and 2301.25, as amended effective September 10, 2012, the Court hereby fixes the compensation of the Official Court Reporter and Assistant Court Reporters for making written transcripts of notes and any portion of any on-record proceedings conducted by the court as follows:

For the party requesting the transcript, the cost is \$4.20 per 25-line page for the original transcript payable to the Clerk of Court. The reporter shall file the original transcript under seal with the Clerk of Court and furnish one certified copy to the requesting party. Upon request, the reporter shall make additional copies of the transcript for the same requesting party pursuant to R.C. 149.43(B)(1) at the rate of \$2.10 per 25-line page and shall provide

subsequent electronic copies of the transcript free of charge to said same requesting party. Any party who requests a copy of a transcript to be sent by mail must provide a self-addressed, stamped envelope.

Such compensation shall be paid by the person who ordered the transcript and/or copy thereof at the time of receipt or filing of same, unless payment of said compensation is waived for good cause shown or as required by law.

When the compensation for transcripts, copies of decisions, or charges is taxed as part of the costs, the transcripts, copies of decisions, and charges shall remain on file with the papers of the case.

If, upon final judgment, the costs or any part of the costs are adjudged against a defendant in a criminal case, the defendant shall be allowed credit on the cost bill of the amount paid for the transcript the defendant ordered and, if the costs are finally adjudged against the state, the defendant shall have the defendant's deposit refunded.

If the testimony of witnesses is taken before the grand jury by reporters, they shall receive for the transcripts the same compensation and be paid in the same manner as provided in this section and section 2301.24 of the Revised Code.

All transcripts shall be taken and received as prima-facie evidence of their correctness.

- C. A transcript in the possession of the Clerk of Court shall not be removed from the office of Clerk of Court. No sealed transcript may be opened except by the Court. Whoever violates this rule shall be subject to contempt proceedings.

2.09 Fees for Computerization of the Office of the Clerk of Court

10.03 Purpose

To promote greater efficiency and public satisfaction through the facilitation of the earliest possible resolution for cases through the use of mediation.

10.04 Case Selection and Timing for Mediation

- A. The Court, on its own motion, or the motion of any of the parties may refer disputed issues to mediation in whole or in part by "Notice of Scheduled Mediation" which shall, at a minimum indicate the date, time, place, and contact information of the mediation. All parties and counsel shall advise the Judge or Magistrate of any domestic violence allegations known to them to exist or to have existed in the past, or which become known to them following entry of the order but before conclusion of all mediation proceedings, which allegations involve any two or more persons whose attendance is required by the referral order.

- B. At the initial pretrial conference the parties and counsel shall advise the Court of the results of their discussions concerning mediation. At that time and at subsequent conferences, if necessary, the Court may explore with the parties and counsel the possibility of using mediation. A party opposed to either the referral or the appointed mediator must file a written objection with the Court within seven days of receiving notice of the referral or provider and explain the reasons for any opposition.
- C. Before the initial pretrial conference in a case, counsel shall discuss the appropriateness of mediation in the litigation with their clients and with opposing counsel. Mediation shall not be used as an alternative to the prosecution or adjudication of domestic violence, to determine whether to grant, modify or terminate a protection order, to determine the terms and conditions of a protection order, or to determine the penalty for violation of a protection order.

10.05 Eligibility of Cases

The Court will determine the eligibility and appropriateness of each referral prior to the commencement of the mediation process and may decline any referral(s) deemed inappropriate.

10.06 Mediator Selection and Assignment

Specific assignments may be made by the Court taking into consideration the qualifications, skills, expertise, and caseload of the mediator in addition to the type, complexity, and requirements of the case.

- A. **Party/Non-Party Participation.** Parties who are ordered into mediation shall attend scheduled mediation sessions.

By participating in a mediation, a non-party participant, as defined by ORC 2710.01(D), agrees to be bound by this Rule and submits to the Court's jurisdiction to the extent necessary for enforcement of this Rule. Any non-party participant shall have the rights and duties under this Rule as are attributed to parties, except as provided by ORC 2710.03(B)(3) and ORC 2710.04(A)(2).

- B. **Confidentiality / Privilege.** All mediation communications related to or made during the mediation process are subject to and governed by the "Uniform Mediation Act" (UMA) ORC 2710.01 to 2710.10, ORC 3109.052, the Rules of Evidence and any other pertinent judicial rule(s).
- C. **Mediator Conflicts of Interests.** In accordance with ORC 2710.08(A) and (B), the Mediator assigned by the Court to conduct a mediation shall disclose to the mediation parties, counsel, if applicable, and any nonparty participants any known possible conflicts that may affect the Mediator's impartiality as soon as such conflict(s) become known to the Mediator. If counsel or a mediation party requests that the assigned Mediator withdraw because of the facts so disclosed, the assigned Mediator should withdraw and request that the Judge or Magistrate appoint another Mediator from the list of qualified Mediators that is maintained by the Court. The parties shall be free to retain the mediator by an informed, written waiver of the conflict of interest(s).

- D. Termination. If the assigned Mediator determines that further mediation efforts would be of no benefit to the parties, he or she shall inform all interested parties and the Court that the mediation is terminated using the procedure required by this Court.

10.07 No Stay of Proceedings

Stay of Proceedings. All remaining court orders shall remain in effect. No order is stayed or suspended during the mediation process. Mediation shall not stay discovery, which may continue through the mediation process in accordance with applicable rules, unless agreed upon by the parties and approved by the Judge or Magistrate.

10.08 Continuances

Continuances of scheduled mediations shall be granted only for good cause shown after a mutually acceptable future date has been determined. The case may be continued by the Mediator or the Judge or Magistrate who referred the case. Except as authorized by the Court, the existence of pending motions shall not be good cause for a continuance and no continuance will be granted unless the mediation can be scheduled prior to the final pretrial. If a continuance of a scheduled mediation is requested and the proposed new date is more than 45 days after the initial referral to mediation, then the request must be made to the Judge or Magistrate.

10.09 Mediation Memorandum of Understanding

The assigned Mediator, parties or counsel, if applicable, as agreed by the parties, may immediately prepare a written memorandum memorializing the agreement reached by the parties. The "Mediation Memorandum" may be signed by the parties and counsel (if the "Mediation Memorandum" is signed it will not be privileged pursuant to ORC 2710.05(A)(1)). The written "Mediation Memorandum of Understanding" may become an order of the Court after review and approval by the parties and their attorney, if applicable. No oral agreement by counsel or with parties or an officer of the Court will be regarded unless made in open court.

10.10 Mediator Report

At the conclusion of the mediation and in compliance with ORC 2710.06 the Court shall be informed of the status of the mediation including all of the following:

- Whether the mediation occurred or was terminated;
- Whether a settlement was reached on some, all or none of the issues;
- Attendance of the parties; and
- Future mediation session(s), including date and time.

10.11 List of Qualified Mediators

The Court will maintain a list of qualified Mediators.

- A. All those on the list of qualified mediators shall submit to the Court a regularly updated Curriculum Vitae (including a list of training related to the field of dispute resolution and professional or association memberships) which CV shall be provided by the Court to those requesting information on an assigned Mediator's qualifications to mediate a dispute pursuant the requirements set forth in ORC 2710.08(C).

- B. The Court will review applications of the person seeking to be added to the list of qualified Mediators in accordance with the procedures adopted by the Court.
- C. Nothing in this rule shall limit the use of a mediator not on the Court's list if agreed upon by all parties, and is in compliance ORC Section 2710.

10.12 Fees and Costs

All costs shall be determined by the Court, if applicable. The parties may agree between themselves to apportion the costs of the mediation. Unless otherwise agreed by the parties, the mediation costs shall be shared equally. In the event that the parties cannot agree, the Court shall determine the apportionment of the mediation costs to the parties. The Court may waive costs for the parties who are unable to pay. Mediation shall not be ordered where a party is indigent unless the mediation is available at no cost to the party.

10.13 Sanctions

If any individual ordered by the Court to attend mediation fails to attend mediation without good cause, the Court may impose sanctions which may include, but are not limited to, the award of attorney's fees and other costs, contempt or any other appropriate sanctions at the discretion of the Judge or Magistrate.

10.14 Mediation Privilege

Mediation communications are privileged as described in ORC 2710.03-2710.05.

10.15 Client Defined Confidentiality

If the parties wish mediation communication to be confidential they will effect a written confidentiality agreement prior to mediation.

10.16 Mediator's Duty

The Mediator shall inform the Court who attended the mediation, whether the case settled, and whether efforts to settle the case through mediation are being continued or if the case is being returned to the Court for further proceedings. No other information shall be directly or indirectly communicated by the Mediator to the Court, unless all who hold a mediation privilege, including the Mediator, have consented to such disclosure. The Mediator shall keep mediation communications confidential, unless all who hold a mediation privilege, including the Mediator, have consented to such disclosure.

10.17 Duties of Attorneys/Parties

- A. Trial counsel, all parties and, if applicable, the principal insurance adjuster(s), all with authority to settle, shall personally attend all mediation sessions prepared to discuss all relevant issues, including settlement terms. A party other than a natural person must be represented by a person other than counsel.
- B. If counsel or any mediation party becomes aware of the identity of a person or entity whose consent is required to resolve the dispute, but who has not yet been joined as a party in the

pleadings, they shall promptly inform the mediator as well as the assigned Judge of such fact.

- C. If the opposing parties to any case have either resided in a common residence or are related by blood, adoption, or marriage, and have known or alleged domestic abuse at any time prior to the mediation, then the parties or their counsel have a duty to disclose such information to the mediator. Such party shall have a duty to participate in any screening required by the Supreme Court of Ohio's Rules of Superintendence Rule 16 both prior to, and, in the mediator's discretion, during the mediation session(s).

10.18 No Advice

The efforts of the mediator shall not be construed as giving legal advice. The Court may have materials for legal or other support services available in the community. The mediator is authorized to provide such resource information; however, such distribution shall not be construed as a recommendation of or referral to such resource. The recipient of that information is charged with the duty to evaluate those resources independently.

10.19 Administrative Dismissal

If the parties fail to dismiss a settled case within the later of sixty (60) days or the time noted in the entry that gave the Court notice of the settlement, then the Court may dismiss the case administratively. Appointments shall be made to the Mercer County Public Defender, except that appointments may be made in rotation with local counsel in order to avoid conflicts of interest, conflicts with counsel's schedule, conflicts with the Court's schedule, and in instances where the gravity and complexity of the offense requires counsel with greater experience than the person next on the list.
- B. Assigned counsel shall receive compensation for professional services and be reimbursed for expenses in accordance with R.C. 2941.51. Upon the completion of the service, it shall be the duty of such assigned counsel to submit an itemized statement of the services rendered and the time spent in connection with such services in the preparation and trial or other disposition of same, and any out-of-pocket expenses incurred therein. The Court shall determine the amount of compensation within the statutory limit thereon, in accordance with schedule of fees adopted by the Board of County Commissioners of Mercer County. No fees in excess of the maximums prescribed therein shall be approved unless prior to incurring such expenses, counsel shall make application to the Court and obtain prior approval therefore by judgment entry.

at the county level and the state level, the request is due to the Court within 30 days after the end of the month in which the case was finally disposed of or terminated. Failure to comply shall result in reimbursement amounts being reduced by a rate equal to the Ohio Public Defender's current reimbursement rate, with the exception of capital murder cases.

Example: A case is terminated on January 5, 2000. The request is due to the office of the Ohio Public Defender by April 30, 2000.

Any assigned counsel fees assessed against the defendant will conform to the recoupment policy on file with the Ohio Public Defender.

This form is to be returned and filed in the Clerk's Office along with a \$25.00 application fee.
- F. Upon accepting an appointment assigned by the Court to represent a defendant, counsel shall forthwith file an Acknowledgment of Representation [CM 14] The Court will not approve counsel's request for payment of fees unless said acknowledgment has been filed and a copy attached to the request for payment.

12.07 General Statement of Policy of Determining Indigency

- A. When required by rule or law to appoint counsel for indigent persons, the criteria for determining indigency shall include: ownership and ready availability of real or personal property; all household income, inheritance, expectancies, and other assets; number and age of dependents; outstanding debts, obligation, and liabilities; and any other relevant considerations.
- B. The pivotal issue in determining indigency shall be not whether the applicant ought to be able to employ counsel, but instead whether the applicant is, in fact, able to do so.
- C. The court shall consider the possible sources of income, assets, and liabilities listed on the Financial Disclosure/Affidavit of Indigency Form as approved by the Ohio Public Defender Commission [CM 13 and Incorporated Attachment].

12.08 Income Standards for Determining Indigency

A. Presumptive Eligibility

1. Without other substantial assets, individuals whose income is not greater than 125 percent of the current poverty threshold established by the United States Office of Management and Budget may be presumed to require the appointment of counsel. An individual whose income is between 125 percent and 187.5 percent of the federal poverty guidelines may still be presumed to require the appointment of counsel if any of the following apply:
 - a. Applicant's household income, minus allowable expenses, yields no more than 125 percent of the federal poverty income guidelines.
 - b. Allowable expenses are the cost of medical care, childcare, transportation, and other costs required for work, or the cost associated with the infirmity of a resident family member incurred during the preceding 12 months, and child support actually paid from household income.
 - c. The applicant has liabilities and/or expenses, including unpaid taxes, the total of which exceeds the applicant's income.
2. Presumptive ineligibility. Applicants having liquid assets that exceed one thousand dollars (\$1,000) for misdemeanor cases and five thousand dollars (\$5,000) in felony cases shall be presumed to be not indigent. For purposes of this Rule, "liquid assets" are defined as those resources that are in cash or payable upon demand. The most common types of liquid assets are cash on hand, savings accounts, checking accounts, trusts, stocks, and mortgages. Applicants with an income over 187.5 percent of the federal poverty level shall be deemed not indigent.
3. The poverty income thresholds (125% - 187.5%) are updated annually by the United States Office of Management and Budget and may be found in the Federal Register. These income thresholds are based on gross income. They will be available, on request, from the Ohio Public Defender Commission, or you can find the information at: http://www.opd.ohio.gov/reimb/rm_guide.htm

4. Applicants being detained in a state institution shall have only their own income and assets considered, as they have no “household” for purposes of this Rule.

B. Other Factors

1. Seriousness of charge weighted against possession of liquid assets. In determining whether a defendant is indigent, the seriousness of the charge shall be taken into consideration. A defendant may be found not indigent if the individual possesses liquid assets in excess of the assigned/appointed counsel fees paid for a case of equal seriousness in the county in which the charges are brought. In lieu of using the assigned/appointed counsel fee, other methods of determining fees for competent counsel may be used, including a survey of attorneys representing defendants in criminal cases.
2. The equity value in the applicant’s principal residence and other valuable assets may be included in the consideration.
3. Release on bail shall not prevent a person from being determined indigent.
4. Counsel shall not be denied solely because an applicant’s friends or relatives have resources adequate to retain counsel.

C. Reimbursement. The ability to contribute a portion of the cost of adequate legal representation shall not preclude eligibility for assigned/appointed counsel. All programs developed to seek reimbursement for the cost of assigned/appointed counsel from the defendant shall be subject to guidelines established for such programs in other commission rules. Programs established for those who fall above income/asset levels shall be approved by the Ohio Public Defender Commission. This court does have a recoupment policy in place as required and approved by the Ohio Public Defender’s Office and as resolved by the Mercer County Commissioners.

D. Redetermination. A preliminary determination of ineligibility for legal representation shall not foreclose a redetermination of eligibility when, at a subsequent stage of a proceeding, new information or changes in circumstances concerning the financial inability to retain competent counsel becomes available.

- E. Waiver. In determining indigency in individual cases, the court has the authority to waive these guidelines in unusual or meritorious situations. In such situations, the waiver decision shall be documented and included in the client's file. However, despite the income and assets of the individual requesting court-appointed counsel, the determination of indigency shall be based upon the law set forth in *State v. Tymcia* (1975), 42 Ohio St.2d 39, which states, "To make the right of court appointed counsel a factual reality, the determination of need must turn, not upon whether an accused ought to be able to employ counsel, but whether he is, in fact, able to do so." *Id.* at 45.
- F. Verification Procedures. All information contained on Financial Disclosure/Affidavit of Indigency Forms is subject to verification through investigation by the Mercer County Adult Probation Department on a random basis at the discretion of and upon order of the Court.
- G. Confidentiality. Rules, regulations, and procedures concerning the determination of initial eligibility and/or continued eligibility shall not require assigned/appointed counsel or public defenders to make any disclosures concerning the client's financial status beyond disclosures mandated by the binding ethical rules of the jurisdiction, the Court's determination of indigency, and R.C. 120.38.
- H. Other Prohibitions. The procedure whereby it is determined whether or not a person is entitled to have publicly provided counsel shall not deter a person from exercising any constitutional, statutory, or procedural right. Specifically, such rights shall not be deprived by any means, including, but not limited to the following:
 - 1. By such stringency of application of financial eligibility standard as may cause a person to waive representation of counsel rather than incur the expense of retained counsel; and
 - 2. By unnecessarily conditioning the exercise of the right to counsel on the waiver of some other constitutional, statutory, or procedural right.
- I. Requests for Specific Appointed Counsel. When a defendant makes a request for a specific appointed counsel pursuant to R.C. 120.33(A), such a request shall be acted upon promptly.

12.09 Restitution

If restitution is ordered, monies deposited shall be applied by the Clerk first to the restitution, second to court costs, third to assigned counsel fees, and fourth to fines, with the balance, if any, refunded to the Defendant, unless otherwise ordered by the Court
